

# Lloyd's Lucky Birthday

Everyone meet Lloyd! Lloyd has been living at Parker Place for a full year now! Around Easter time we surprised Lloyd with his very own baby chicks for the day, because Lloyd loves all animals! Before moving to Parker Place, Lloyd had all kinds of animals at his home. After our Easter event, the chicks had to go back to their owners, and Lloyd is still talking about them to this day.

Lloyd's birthday was on June 19<sup>th</sup>, so we decided to celebrate his special day and officially living at Parker Place for a full year in a very special way!

Parker Place got Lloyd a Spy Birdhouse that hangs on his window in his room. The birdhouse allows Lloyd to see into while sitting on his couch. Birds fly into the birdhouse and create their nests in there. Lloyd was so excited to receive this gift! He said, "he's never seen anything like it and we made his whole day!"

Not only did Lloyd receive this Spy Birdhouse for his room, but we officially re-named our Multi-Purpose Room Lloyd's Butterfly Room. We placed our Butterfly Pavilion where the residents can watch the caterpillars form cocoons and turn into butterflies in Lloyds Butterfly Room and Lloyd and the Staff are working on redecorating the room to match the butterfly theme! Lloyd spends the majority of his day checking on his caterpillars and tells everyone who enters Parker Place that "he has a room named after him here!"

Happy Birthday, Lloyd!
