

Marjorie's Night Out

This is Marjorie! Marjorie has been living at Parker Place for two and half years! Marge is usually one of our more reserved residents, so we knew it was important to find a way to get her out and about.

Marjorie comes from a large family with all her siblings being girls. Growing up, Marge and her sisters would spend a lot of time playing dress up and putting on fancy tea parties or special events.

On May 18th Parker Place made Marge's dream come true! Parker Place took Margorie to Des Moines for the evening to her Grand Daughter's wedding. This was so special to Marge, because if Parker Place wouldn't have taken her, she would have had to miss the occasion.

Marge got to pick out a fancy outfit and Parker Place had her hair and makeup done for her so she could look and feel beautiful for her night in the city. Marge said "she felt so beautiful," and smiled all night and told stories of her evening spent with family for weeks after!
