

Ron's Need for Speed

This is Ron! Ron is one of our Memory Care residents and he loves sharing stories about the classic cars he had in his younger years. Ron's shadow box is filled with photos and figures of his favorite type of car, the Camaro!

When Ron learned about the upcoming Car Show at The Mill, he knew it was an event he couldn't miss. He asked if he could bring his best bud, Marvin, along for the ride. On May 14th, Parker Place hit the road to make Ron's dream come true!

When we got the Car Show, Ron was grinning from ear to ear. He loved the sound of the old cars rumbling and gave Marvin and I lessons on almost every car being shown. Not only did Ron get to look at beautiful classic cars, but he got surprised with a quick ride in one of them too!

Ron had such a fun time at The Mill Car Show, he asked to go back next month and said he "had a few cars he would like to bring home with us next time."
